My sincere apologies for bothering you once again. From the bottom of my heart, and probably for the last time, I wish to convey some points with honesty and candor, because I believe you to be a fair person.

If I had not proceeded with the trial, I would never have learned the narrative of the prosecution. I have been in the dark about supposedly happened for almost 3 years. I do not know the person or persons who are behind this crime.

As God is my witness, I have only told the truth to my lawyer, to you Your Honor and in the Courtroom. I remain ready and willing to offer my assistance to the Government with regard to bringing the right people to Justice.

After fighting for life for 2 years, without medicine or treatment, my mother passed away on 27th December, 2024. I just found out about this today because I do not have sufficient funds to even make phone calls with my family.

I fully admit that I am in the U.S.A. illegally and for that I am indeed very remorseful. I have not committed any other crime except the crime of illegal entry to the country. Please allow me to return to my wife, my children and my elderly father.

Sincerely *Nirav Patel*

★ Give myself completely to God since we have been given new life

★ The greatest way to express my love to God is by giving my life to him

★ We love him because he first loved us.

★ I have looked deep into my heart Lord and we know all about me I know when I am resting or when I am working we notice everything I do and everywhere I go.

★ Set my mind on things above not on earthly things

★ Find a quiet secluded place in my soul in my all life in first time I won't be tempted to roleplay before God.

Just be there as simply and honestly as we can manage The focus will shift from me to God and my will begin.

★ I develop constant conversation with God worship him continually

★ I [Lord] will keep in perfect peace all who trust in me all whose thoughts are fixed on me.

★ When I fix my thoughts on God, God will fix my thoughts

★ Whatever you do work at it with all my heart as though we were working for the Lord and not for people

★ It's not what I do that matters It's who I do it for

★ Worship is expressing my affection to God focusing my attention on God and using my abilities for God.

★ Take I am everyday ordinary life I am sleeping eating life going to - work and walking - around life - and place it before God us.

\* I am giving a new commandment. Love each other Just as I have loved me I Should love each other I am love one another will prove to the world that I am disciples God.

(1) My mother did not die a natural death. She was murdered.  
 She died 27th Dec 2024. I was notified on 14th Feb 2025,  
 because I don't have any money to make a phone call.

(2) —————

(3) The people responsible for my mother's death were the prosecutor  
 and the 3 elderly ladies and the person who committed the fraud.  
 Who will get justice for my mother?

In the same way that the prosecutor ~~persuaded~~ fooled the jury into  
 believe that I defrauded those 3 elderly ladies, ~~I would like~~  
 it needs to be known that the prosecutor similarly murdered my  
 mother.

Many times I have said that my mother needed hospital medical attention.  
 I do not have any money. For 2 years, is any medicine or treatment  
 my mother has been fighting for her life. This is not a natural  
 death. This was a murder.

Many times I have offered my services to the Govt, but they have  
 refused to listen. And they have to catch a single culprit.  
 Because of the Govt's inaction, these fraudsters are still free +  
 able to continue their criminal activities.

The police officer didn't keep a recording of my hours of phone calls  
 between the elderly ladies + the fraudsters.

(4) I did not steal from these elderly ladies; I didn't ask them  
 for any money; I didn't have a single phone call to any of them.  
 I do not know these elderly ladies and I do not know the person who

the money was intended to go to or it was being sent to.

I am an honest, hard working man and I do not believe  
 hard work in itself is a crime.

(5) The Police + FBI are standing on a beach, ~~hoping~~ hoping to catch a shark.

The fraudster appears to have cleverly instructed the elderly ladies to do various things, + they seem to have followed those instructions to the letter.

(6) In 2019, in my bank in India, the Prosecutor said that I had \$100k, but that bank account is not a dollar account. It is an Indian Rupee account. Meaning that Rs 100k = \$8,000 approximately. The Prosecutor has deliberately misled the Jury into believing the amount was in dollars.

(7) I have previously stated my bias that I preferred to have a bench trial, but somehow I ended up in a Jury trial, allowing the Prosecutor to perform theatrical performances knowing that the Jury would be fooled, especially given their portrayal of me as a villainous fraudulent foreigner. How can I possibly receive Justice in this situation? I need Justice.

Sincerely

Niran Patel.
